Dear Anthony,

Thank you so much for hosting an educational and dynamic courthouse program for our students.

This program brings the possibilities in the criminal justice field to life for students who would not have this opportunity otherwise. Listening to the astute questions they posed for Judge Oetken and watching them deliberate, carefully considering each component of the law, is evidence of the meaningful impact this program has on them.

Your support of these students truly makes a difference in their lives by providing them exposure to different careers, the opportunity to network with other successful lawyers and judges, and role models to aspire towards. As a token of our gratitude, I hope you enjoy this “Fresh emote” poster signed by our students. Thank you again for organizing and coordinating the presentations, the mock trial, and the all the lawyers who so generously volunteered their time.

I wish you and your family an enjoyable summer.

Sincerely,

Kelvin Gentles  
Senior Director, Development
